

# CU900 UPRIGHT BIKE

Easy Seat Adjustment

Optional TV Bracket (TV not included)

The CU900 Upright Bike boasts features that provide users with precise fit and function and a beautiful console to track performance. The seat height securely locks and adjusts at infinite increments while the molded handlebars provide ultimate comfort. Pedal motion is smooth and consistent with industrial roller bearings and 1" crank axle that can power through any climb.

## CU900 UPRIGHT BIKE

- Extra wide, 8 groove poly-v belt, spring loaded idler for reduced belt tension for longer belt and bearing life
- Oversized 1" crank axle along with heavy duty roller bearings provide long life and reliability
- Quick adjust seat easily slides to accommodates users of various heights
- Easy in and out ratcheting pedals with 2-degree pedal inversion for a comfortable workout
- Generator system allows the unit to be placed in any location
