

- The ReNegaDE is designed & built for rock solid construction, intensive use, and as such is suitable for commercial grade settings as well as home use.
- This ReNegaDE works on air resistance, it offers unlimited resistance levels - the faster you pedal, the harder of the resistance will be.
- A computer console with several workout programs, which tracks and display your progress.

Features:

TIME | RPM | SPEED | DISTANCE | CALORIES | WATTS

Product No.:

402001

Dimension:

123 x 75 x 135cm

N.W.:

71.5 kg

G.W.:

76.0 kg

Carton:

133 x 43 x 88cm

Max. User Weight:

130 kg

Loading Q'ty:

42 / 20ft 90 / 40ft
