I

Elegante, completamente accessorizzato, offre soluzioni costruttive uniche.

1 Mobile in compensato multistrati (spessore mm. 30-36) rivestito in laminato plastico.

2 Gambe in metallo con verniciatura antigraffio colore nero. Le notevoli dimensioni (cm. 9 x 9) garantiscono la necessaria stabilità sul terreno.

3 Aste uscenti in tubo trafilato a ferro crudo in acciaio 25 NC 6 ad alta resistenza ($r = 110 \text{ kg. x mm}^2$) \varnothing mm. 16 x 2,3, trattate con cromatura diretta antiruggine dallo spessore minimo di 15 micron. Di serie ometti in mopen stampati sulle aste. Disponibile anche con aste telescopiche.

4 Boccole in nylon con cuscinetti a sfera: garantiscono una notevole velocità e non stancano i giocatori.

5 Piano di gioco in vetro temperato antiriflesso spessore mm.5. Il vetro è fissato su un piano di truciolare nobilitato ed è facilmente accessibile per la pulizia in quanto staccabile dal coperchio mediante due chiavistelli.

6 Manopole in plastica e legno: non fanno sudare le mani e consentono una presa più sicura.

7 Portabevande per appoggiare bicchieri, bottiglie e lattine.

8 Gettoniera meccanica di serie, tarabile per qualsiasi tipo di moneta. Optional: gettoniera meccanica con espulsore.

9 10 palle bianche "Standard" in dotazione.

D

With the full range of accessories and unique features.

1 Cabinet in high quality plastic laminate plywood (thickness 30-36 mm).

2 Metal legs coated with anti-scratch powder coated varnish black colour. Their remarkable dimensions (9 x 9cm) ensure the necessary stability.

3 Cold drawn steel (25 NC 6) rods (diameter 16 x 2.3 mm) with high stress resistance (R = 100 Kg x mm²) and 15 micron thickness chromium plating. One-colour (red-blue) standard players moulded to the bars (on request three-colour selflocking players in red-black-pink and blue-black-pink). Telescopic rods for greater safety also available.

4 Nylon bushes with steel ball bearings for high speed action, smoother play and reduced wear and maintenance.

5 Playfield in choice of 5 mm tempered glass or plastic laminate mounted on a chipboard base. Detachable from upper cabinet by means of two locks to enable lowering for internal cleaning and inspection.

6 Wooden inserts in plastic handles reduce perspiration and improve grip.

7 Holders for glasses, bottles or cans at each end.

8 Standard mechanical coin mechanism set for any kind of coin or token. Options: a) mechanical coin mechanism with coin rejector; b) electro-mechanical coin mechanism with motorised ball release system; c) electronic coin mechanism with motorised ball release system.

9 10 white "Standard" balls supplied with the table.

Voll ausgestatteter Fußballtisch.

1 Gehäuse aus hochwertigem, 30-36 mm starken laminierten Mehrschichtplatten. Oberfläche kunststoffbeschichtet.

2 Metallbeine beschichtet mit kratzfestem Pulverlack in schwarzer Farbe. Ihre beachtlichen Maße (9 x 9cm) sorgen für die nötige Stabilität.

3 Spielerstangen aus hochwertigem, kalt gezogenem Stahl (25 NC 6, 1000N/mm²), Durchmesser x Wandstärke = 16 x 2.3 mm, Verchromung 15 Mikron. Die Spieler aus extrem widerstandsfähigen Kunststoff sind direkt auf die Stangen aufgegossen. Teleskopstangen für größere Sicherheit erhältlich.

4 Kugellager und Axial - Nylonführungen für schnelles, ermüdungsfreies Spiel.

5 Spielfeld aus reflexionsfreiem 5 mm starkem sandgestrahltem gehärtetem Glas. (Option: Laminiertes Kunststoff). Spielfeld durch 2 Schnellverschlüsse von der oberen Gehäusehälfte zur Reinigung oder Inspektion abnehmbar.

6 Griffe aus Holz/Kunststoff verhindern Handschweiß und ermöglichen eine sichere Handhabung.

7 Getränkehalter für Gläser, Flaschen und Dosen.

8 Standard mechanical coin mechanism set for any kind of coin or token. Options: a) mechanical coin mechanism with coin rejector; b) electro-mechanical coin mechanism with motorised ball release system; c) electronic coin mechanism with motorised ball release system.

9 Der Fußballtisch beinhaltet serienmässig 10 weiße Bälle "Standard".
