

T60

Durability and reliability have long been the hallmarks of Vision treadmills. The new T60 expands on these strengths with a fresh streamlined design, extra robust frame, larger running surface and more powerful motor. Users will appreciate the crisp, bright display with simple workout feedback and programming.

- Powerful 4.2 hp AC dynamic response drive system delivers smooth and reliable performance
- The 55.8 cm (22") wide extra-large running surface accommodates a wide range of users
- Prewaxed belt and commercial-grade, reversible deck extend treadmill life
- Heavy-gauge steel welded frame enhances durability
- Nine preset programs, including heart rate training, offer variety
